ABOUT

Applied and diligent, I dedicate myself to my tasks. Some of my greatest qualities as a professional are my willingness to create, learn and collaborate. My goals within the professional environment are putting my communicative skills into practice to cultivate a pleasant team atmosphere and achieve goals that provide professional enrichment.

EDUCATION

Communication, Diversity and Inclusion within Organizations

PUC

2022 - 2022 Master Degree

Offers training focused on the six dimensions of diversity (gender, race, fatphobia, PCD, generational and LGBTQIA+) from an intersectional and integrated perspective in the various forms of communication: digital media, advertising, public relations, communication advisory and internal communication. The objective is to train professionals to act as managers of diversity and inclusion.

Marketing

CENTRO UNIVERSITÁRIO SENAC

2019 - 2021 Bachelor

Focused on strategic marketing plans, it offers tools to identify trends and sales opportunities, develop commercial campaigns and work on market positioning.
